City of Salida Recommends Businesses Apply For Outdoor Expansion

Salida, Co- Public Notice-

Dear Business Owners:

After last summer's successful outdoor expansion in the F Street Plaza, the City of Salida will be facilitating the expansion of outdoor dining and retail spaces into parking lots, parking spaces, and even public streets on the F Street corridor. This would allow for any business – not just restaurants and bars – to occupy certain public spaces as appropriate, while practicing and enhancing social distancing and operating in open air conditions to limit the potential spread of COVID-19. The City is committed to discussing these options with you and finding solutions. This includes the upcoming closure of two blocks of F Street, which is planned for the morning of Monday, May 24th, and to remain in place for much of our summer to take advantage of Salida's excellent summer weather.

To apply to use public property please fill out the City of Salida Application, remit a conceptual site plan, and return the signed Revocable License Agreement to the Clerk's Office, 448 E. 1st Street or email to deputyclerk@cityofsalida.com or planning@cityofsalida.com.

We are here to assist you in working on a reopening plan that meets the state's guidance and follows best practices to limit the spread of COVID-19. In addition, we would encourage you to work with your neighboring businesses to identify creative ways in which to operate. Our business community is what makes Salida unique, dynamic and authentic, and we appreciate all that you do!
