F Street Plaza Opens May 25th

Salida, Colorado —

After last summer's successful outdoor expansion in the F Street Plaza, the City of Salida will be facilitating the expansion of outdoor dining and retail spaces into parking lots, parking spaces, and even public streets on the F Street corridor. This includes the upcoming closure of F Street starting at Sackett and ending in between 2nd and 3rd Street. This is planned for the morning of Wednesday, May 25th, and to remain in place for much of our summer to take advantage of Salida's excellent summer weather.

For business owners in the closure, please fill out the City of Salida Application, remit a conceptual site plan, and return the signed Revocable License Agreement to the Clerk's Office, 448 E. 1st Street or email to deputyclerk@cityofsalida.com.

We are here to assist you in working on a reopening plan that meets the state and city guidance. In addition, we would encourage you to work with your neighboring businesses to identify creative ways in which to operate. Our business community is what makes Salida unique, dynamic and authentic, and we appreciate all that you do!

For any questions, please contact City Hall at 719-530-2632.
