

TREE SERVICE LICENSE STATEMENT

I have read the ordinance pertaining to licensed tree services within the City of Salida (SMC 6-4-10 through 6-4-40).

I understand that I must obtain a permit from the Public Works Department to prune or remove a tree on the City right-of way.

I have also read and agree to abide by the Tree Pruning and Removal Specifications for public and private property. I understand that failure to adhere to the specifications may result in revocation or suspension of the license and a fine of no less than \$100.
