

**ACCESSORY DWELLING UNIT SYSTEM DEVELOPMENT FEE
PAYMENT AGREEMENT**

I agree to remit to the City of Salida all water and wastewater system development fees related to the construction of the accessory dwelling unit located at _____ prior to receiving certificate of occupancy for said unit. I understand that I am responsible for paying these fees regardless of who will occupy said unit and whether said unit will be occupied or not. I also understand that failure to do so prior to receiving certificate of occupancy (or occupying said unit prior to payment and certificate of occupancy) may result in having municipal water shut off to the entire property.
