- (c) Maintain a balanced community that provides housing for people of all income levels;
and
- (d) Ensure that housing options continue to be available for very low-income, low-income, mode rate, and middle-income residents, for special needs populations and for a significant proportion of those who work or live in the City.

16-13-20. General Inclusionary Housing Requirements.

(a) Any application brought under the annexation or planned development sections of this Code; condominium plats of any size; duplex conversion subdivisions; and minor and major subdivision sections of this Code, as well as multi-family residential projects of five (5) or more units are required to include at least sixteen and seven-tenths (16.7) percent of the total number of residential dwelling units as affordable dwelling units, pursuant to requirements set forth in this Article, and subject to the following standards:

(1) The prices for sale or rents charged for permanently affordable priced dwelling units shall not exceed a price that is affordable to a household earning the applicable percentage of Area Median Income (AMI) for Chaffee County as defined annually by the Colorado Housing Finance Authority (CHFA), at the time such unit is sold or rented, and as further specified in Sections 16-13-60 and 16-13-70.

(2) Affordable dwelling units shall be permanently restricted as defined by the administrative regulations, or unless a different timeframe is required as a part of a Low Income Housing Tax Credit project.

(3) If the calculation for inclusionary housing results in a fraction of a dwelling unit, the fraction of the unit shall be provided as a complete affordable unit or a fee-in-lieu shall be provided per Section 16-13-40.

(4) The proportion of required affordable units, whether for-sale or rental, shall follow the proportion of for-sale and rental market rate units, unless otherwise approved by the decision-making body. For example, if the project includes one hundred (100) percent for-sale units, then one hundred (100) percent of the required affordable units shall be for-sale units. If the project includes fifty (50) percent for-sale units and fifty (50) percent rental units, that same percentage of for-sale and rental affordable units shall be provided.

- (b) The City Administrator is authorized to adopt administrative regulations to be utilized in the enforcement of the provisions of this Article.

(c) Units built as affordable in the project should be comparable to the market rate housing units in exterior finish and design and integrated into the overall project.

(d) Income Eligibility Required. No person shall sell, rent, purchase or lease an affordable dwelling unit created pursuant to this Article except to a program eligible household. A private owner of a single affordable unit may rent the unit in accordance with the provisions of this Article as set forth in Section 16-13-60 "Program Requirements for For-Sale Units." All sales, rentals, purchases and leases shall comply with the provisions of this Article.

(e) Deed Restriction Required. No person offering an affordable dwelling unit for rent or sale pursuant to this Article shall fail to lawfully reference in the grant deed conveying title of any such unit, and record with the County Recorder, a covenant or declaration of restrictions in a form provided and approved by the City Attorney and applicable Housing Authority. Such covenant or declaration of restrictions shall reference applicable contractual arrangements, restrictive covenants and resale restrictions as are necessary to carry out the purposes of this Article.

(f) Good Faith Marketing Required. All sellers or owners of affordable dwelling units shall engage in good faith marketing and public advertising efforts each time an affordable dwelling unit is rented or sold such that members of the public who are qualified to rent or purchase such units have a fair chance to become informed of the availability of such units.

(g) Required Agreements. Those applicants creating residential developments under this Chapter shall enter into an inclusionary housing development agreement with the City Council. Such agreements may be part of a development agreement, annexation agreement or subdivision agreement and shall document how the applicant will meet the requirements of this Article including:

- (1) Defining the inclusionary housing development, including the total number of units; the total number of affordable housing units required; and the total number of affordable housing units provided;
- (2) The application of allowed density, parking and development standards allowed for projects that provide one hundred (100) percent of the inclusionary housing requirements, as provided in Section 16-13-50;
- (3) Design standards to assure the affordable units will be comparable to market rate units and are integrated into the development;
- (4) The requirement that each required affordable housing unit must receive its certificate of occupancy before development of every sixth market-rate housing unit within the development, unless an alternative schedule is approved by the City; and
- (5) The restrictive covenants and additional agreements, in a form acceptable to the City, as necessary to carry out the purposes of this Article.

An applicant shall not be eligible to submit for a building permit until the affordable housing agreement and any required restrictive covenants are approved by the City Council and recorded with the Chaffee County Recorder.

(h) Accessory dwelling units shall not be considered inclusionary housing for the purpose of compliance with the requirements of this Article.

An applicant shall not be eligible to submit for a building permit until the affordable housing agreement and any required restrictive covenants are approved by the City Council and recorded with the Chaffee County Recorder.

An applicant may seek an alternative to providing the required percentage of affordable housing under this Article by any of the following methods:

- (a) Providing the Required Housing Off-Site. This may be met only through the dedication of land to the City or a qualified non-profit housing developer for the required development of such units as approved by the City, with the guarantee that the land to be dedicated will allow for, and be developed with a minimum number of twenty-five (25) percent of the total units in the subject development as affordable housing.
- (b) Dedicating Land Within the Project. Provided it is large enough and located appropriately to accommodate at least the minimum number of required affordable units, land within a project may be dedicated to the City or a qualified non-profit housing developer for the required development of such units, as approved by the City. The units to be built within the project shall be comparable to the market rate housing units in exterior finish and design to blend into the overall project.
- (c) Paying a Fee in Lieu of Providing Units as Defined in Section 16-13-40. This alternative is only available if the calculation for inclusionary housing results in a fraction of a dwelling unit or if the development is for five (5) units or less.
- (d) Providing fewer units, but which are affordable to households earning sixty (60) percent or less of the AMI for Chaffee County for rental projects, or one hundred (100) percent or less of the AMI for Chaffee County for for-sale projects. 16-13-50. Density, parking and development incentives for inclusionary housing developments.

Residential development within the zoning districts of C-1, R-2, R-3, R-4 and RMU; and portions of a planned development with the underlying zoning districts of C-1, R-2, R-3, R-4 and RMU; that are subject to inclusionary housing development requirements and are providing one hundred (100) percent of the required affordable housing within the development, may increase the allowed density and utilize the lowered dimensional standards stated in Table 16-F, Schedule of Dimensional Standards, within these districts and utilize the reduced parking requirements for

multi-family dwellings stated in Table 16-J, Off-Street Parking Standards by Use. To ensure the integration of the affordable residential units into the development, these standards shall apply to all of the residential units of the subject development within parcels with the above zoning or underlying zoning, that include a minimum of sixteen and seven-tenths (16.7) percent affordable housing.

16-13-60. Program Requirements for For-Sale Units.

- (e) **Ownership Associations.** When accepting a for-sale unit as meeting the inclusionary housing obligation, the City Administrator and/or applicable housing authority will review the condominium association declarations to assess the impact on buyers of affordable units. The City Administrator and/or applicable housing authority is authorized to establish rules regarding allowable terms in condominium declarations in order to ensure that the purposes of this Article are accomplished.
- (f) **Rental Restriction.** The owner of an affordable unit may rent the unit to an income eligible renter by a method that complies with the administrative regulations and/or applicable deed restriction. At no point shall such rent price

No person shall violate any rule or regulation issued by the City Administrator under this Article.

CITY OF SALIDA, COLORADO
ORDINANCE NO. 05
(Series of 2022)

**AN ORDINANCE OF THE CITY COUNCIL FOR THE CITY OF SALIDA,
COLORADO AMENDING CHAPTER 16, ARTICLES IV, VI AND XIII OF THE
SALIDA MUNICIPAL CODE, REGARDING INCLUSIONARY HOUSING, TO
FURTHER PROMOTE THE DEVELOPMENT OF WORKFORCE HOUSING**

WHEREAS, the City of Salida, Colorado (the “City”) is a statutory city, duly organized and existing under the laws of the State of Colorado; and

WHEREAS, pursuant to C.R.S. § 31-23-301 *et seq.*, the City, by and through its City Council, possesses the authority to adopt and enforce zoning regulations; and

WHEREAS, under such authority, the City Council previously adopted regulations related to inclusionary housing, codified as Chapter 16, Article XIII of the Salida Municipal Code (the “Code”); and

WHEREAS, the City Council remains committed to the promotion of inclusionary housing, such that all residents and workforce have a meaningful opportunity to afford housing in the City; and

WHEREAS, increasing the percentage of dwelling units required to be affordable housing in certain new developments furthers this imperative given the recent changes in the market; and

WHEREAS, the number of new deed-restricted affordable housing units have not kept up with the amount recommended by the 2016 Chaffee County Housing Needs Analysis, and such needs have only intensified; and

WHEREAS, the housing market, especially over the last few years, has been impacted by unprecedented forces and demand focused on mountain communities such as Salida—forces such as the prevalence of remote workers, vacation home ownership, retirees relocating from outside the area, short-term rental ownership, and other factors; and

WHEREAS, the City of Salida recognizes the need for affordable housing across a greater diversity of income levels than is currently addressed by the inclusionary housing policy; and

WHEREAS, deed-restrictions are the primary tools to ensure permanent affordability—that units will not go from affordable to unaffordable with a simple sale of property; and

WHEREAS, the Planning Commission held a public hearing on these code changes on February 28, 2022, and recommends the amendments set forth in this Ordinance; and

WHEREAS, after consideration at a public hearing held on April 5, 2022, the City Council finds it desirable and appropriate, and in the best interest of the general health, safety, and welfare of its residents, workforce, local businesses and customers to amend Chapter 16 of the Code, as it relates to the promotion of inclusionary housing in the City.
