## 2021 Parks and Recreation Rental Rates and Fees :

The Department of Parks and Recreation, along with the Salida City Council and the Parks, Recreation, Open Space and Trails Advisory Board, engaged in cost recovery/subsidy and financial strategy work in 2020. Through this work, service categories and subsidy goals were established for the services that the Department offers. Where applicable, the service category is listed for the service offered in the following tables. The Department is comparing subsidy goals to current fees and a draft financial support and sustainability plan to determine appropriate fees in 2021. Additionally, Pool Access has changed dramatically due to COVID 19. Memberships were placed on hold and all visits require registration. Memberships (including health insurance based membership - Silver Sneakers) are being researched and will be addressed when Public Health orders allow.
