Intergovernmental Funding Agreement for the Chaffee Housing Authority

INTERGOVERNMENTAL FUNDING AGREEMENT FOR THE CHAFFEE HOUSING AUTHORITY

THIS AGREEMENT is made and entered into this ^{20th} day of July, 2021, by and between: Chaffee County, Colorado, (“County”) a local government entity, 104 Crestone Avenue, Salida, Colorado 81201, and the following municipalities: City of Salida (“Salida”), 448 E First Street, Salida Colorado 81201, Town of Buena Vista (“Buena Vista”), 210 East Main Street, Buena Vista, Colorado 81211, and the Chaffee Housing Authority (“Authority”) (Salida and Buena Vista are collectively referred to below as the “Municipalities” and all entities are collectively referred to below as the “Parties”).

RECITALS

The provisions of Section 18 of Article XIV of the Colorado Constitution and C.R.S. § 29-1-203 (allowing Colorado local governments to cooperate or contract with one another to provide any function, service or facility lawfully authorized to each local government) and C.R.S. § 29-1-204.5 (allowing Colorado local governments to contract with each other to establish a separate governmental entity to be known as a multijurisdictional housing authority).

In 2016 the Parties updated a Chaffee County Housing Needs Assessment, which identified a multijurisdictional housing authority as an appropriate mechanism for the County and Municipalities to address affordable/workforce housing needs throughout the County; and in 2016 the Parties created the Housing Policy Advisory Committee to pursue avenues of creating affordable/workforce housing.

In 2017, the County created, with support from the Municipalities, the Chaffee County Office of Housing (“CCOH”) with the mission of enabling all residents of Chaffee County access to safe, stable, and affordable housing through diverse partnerships that create rental and ownership options across the housing spectrum and support a socio-economically diverse community, wherein the regional workforce is able to live locally and benefit from a resilient economy.

It is in the interest of all the Parties that there is an adequate supply of safe and suitable housing that is affordable for all citizens of the county. The County, Salida, and Buena Vista recognize the benefits and advantages obtained by working together, established and created a multijurisdictional housing authority and formed the Chaffee Housing Authority (“Authority”) on October 15, 2020, by executing an intergovernmental agreement (“Authority IGA”) between the Parties to be effective as of that same date. The Authority IGA allows the CCOH to transition into a multijurisdictional housing authority.

Article V, Section (f) of the Establishing IGA for the Chaffee County Multijurisdictional Housing Authority provides that the Parties would enter into a cost sharing agreement, which would provide, at a minimum, funding for the Authority for the first three full calendar years after the appointment of the Authority’s original board of directors.

The original Board of Directors was appointed by the Parties and first convened on February 18, 2021.

The Parties now desire to fulfil the requirements of the Authority IGA by entering into this Agreement for purposes of funding the Authority for 2021, 2022 and 2023.

AGREEMENT

NOW, THEREFORE, for and in consideration of the mutual promises, covenants and obligations herein set forth, the Parties hereby mutually agree as follows:

1. Term. The initial term of this Agreement shall commence as of the effective date hereof and shall expire, subject to earlier termination in the event of non-appropriation as hereinafter provided, on December 31, 2023. Upon expiration of the initial term, this Agreement shall automatically renew for a one-year period unless, at least ninety (90) days prior to the renewal date, any Party gives the other Parties written notice of its intent not to continue with the Agreement.
2. Funding of Authority.
 - a. *Funding Obligations—Generally*. The County, Salida, and Buena Vista agree to provide funding for 2021, 2022, and 2023 (“Initial Term”) to the Authority in the total aggregate amount of One Hundred Eighty-Five Thousand Four Hundred and Eighty 00/100 Dollars (\$185,480) (“Funding Obligation”) per year for the initial term of this Agreement. After the Initial Term, the Parties may continue to fund the Authority at its current aggregate amount or the Parties may mutually agree to amend the aggregate funding obligation for the Authority.
 - b. *Proportional Shares of Funding*. The Parties agree that for the Initial Term of the Agreement the responsibility for funding the obligations set forth in Section 2.a herein should be shared by the Parties in the following proportions and based on the following:
 - i. The County will fund the Authority with One Hundred and Twelve Thousand Five Hundred 00/100 Dollars (\$112,500) (“Fixed Cost”). If after the Initial Term, or subject to amendments the Funding Obligation does not exceed the Fixed Cost, the Municipalities do not have any further funding responsibilities.
 - ii. If the Funding Obligations exceeds the Fixed Cost then the Parties agree to split the balance of the Funding Obligation among the Parties in substantially the same portions of the population of each of the Parties as to the combined portion of all the Parties population (the total population is based on the current State of Colorado’s Demographer’s current population estimate).
 - iii. However, the Parties agree that at no time, will the County’s gross Proportional Share of Funding, shall exceed seventy-five percent (75%) of the Funding Obligation. If, after dividing the remaining Funding Obligation among the Parties based on population results in the County contributing more than seventy-five percent (75%) of the

Funding Obligation, then the Parties agree that the Municipalities will be equally responsible for the remaining twenty-five percent (25%) of the Funding Obligation based on dividing the cost of the remaining Funding Obligation among the Municipalities in substantially the same portion of the population of each municipalities as to the combined portions of all the Municipalities population.

- iv. Subject to future amendments, the Parties Proportional Shares of Funding for the Initial Term are as follows:

Chaffee County:	\$139,110.00
City of Salida:	\$ 31,125.00
Buena Vista:	\$ 15,245.00
Total:	\$185,480.00

See, Attachment A, for examples of the breakdown of Parties *Proportional Shares of Funding*.

- c. *Payment Dates*. The Parties shall pay their respective sums due to the Authority not later than January 15th of each year for their respective contribution payments.
- d. *Budgetary Shortfall Funding*. The Parties agree to reevaluate and renegotiate the financial status of the Authority to address any anticipated funding shortfalls for the next fiscal year in the September of the current funding year. If a shortfall is calculated, and each Party agrees to address the shortfall, each Party will either adjust its respective shortfall contribution in proportion to the population of each Party as to the combined population of all Parties or mutually agree to an alternative contribution calculation.
- e. *Budgetary Surplus*. Any surplus of funds that remain at the end of a funding cycle will be carried over for use by the Authority, to the extent permitted by law.
3. Services Provided by the Authority.
- a. *Basic Services*. In return for the funding provided by the Parties the Authority agrees it may provide the Parties the following services:
- i. To plan, finance, acquire, construct, reconstruct, manage, and operate housing for households located within the jurisdiction of the Authority, in particular, low- to moderate-income households;
 - ii. To plan, finance, acquire, construct, reconstruct, manage and operate housing programs for employees of employers located within the jurisdiction of the Authority;

 - viii. To levy, in all of the area within the boundaries of the Authority, a sales or use tax, or both, upon every transaction or other incident with respect to which a sales or use tax is levied by the state.
 - ix. To levy, in all of the area within the boundaries of the Authority, an ad valorem tax; provided, however, that the use of taxing authority by the Authority shall occur only with the concurrence of all of the participating local government jurisdictions prior to submission for voter approval.
 - x. To fix, maintain, and revise fees, rents, security deposits, and charges for functions, services, or facilities provided by the Authority;

housing goals of the Authority within each Party's respective jurisdiction when the Authority has the skill, talent and expertise to perform.

- c. *Additional Services.* The Authority may negotiate and accept payment of a lump sum fee for Additional Services provided to a Party, if those services are in excess of what the Authority can reasonably provide. Any lump sum fee for Additional Services shall fairly represent the value of the Additional Services provided by the Authority.
4. Appropriations. Because this Agreement involves the expenditure of public funds, this Agreement is contingent upon continued availability of such funds for payment. The obligations of the County, City of Salida, and Town of Buena Vista shall not constitute a general obligation, indebtedness or multiple year direct or indirect debt or other financial obligation whatsoever within the meaning of the constitution or the laws of the State of Colorado.
5. General Provisions.
 - a. *Amendment.* This Agreement may be amended only by a written instrument signed by the parties to this Agreement.

Notices will be deemed to have been duly given if delivered personally or if mailed via certified mail (return receipt requested and postage prepaid) and confirmed by such certified mail receipt, given by facsimile or e-mail confirmed by receipt, or sent by courier confirmed by receipt, addressed to the party at the address set forth below or at such other address as either party may designate to the other in accordance with this Section.
