## RELEASE DATE:

March 1, 2024

## Poncha Boulevard Streetscape Improvements and Traffic Impacts

**Salida, Colorado** – With spring just around the corner, the Public Works department is working on the completion of Poncha Boulevard improvements. In April, the remaining work at the Holman Avenue intersection is slated to begin and the job is expected to be completed in May. This work includes sidewalk, bike lanes, and ADA improvements. Intermittent traffic detours are expected to occur at the intersection during this time period.

Public Works will also be working with the Parks and Recreation department to install irrigation, plant trees, split rail fencing, and rock work fronting the golf course property.

We look forward to improving our City streetscapes with the completion of these projects and appreciate your patience while the work is underway.

Additional information related to the project can be found on the City website at:
